**Empowering you to create a space that reflects your personality
and enhances your daily life.**

Perfecting Colour Harmony

Mistake: Overwhelming Colour Schemes

Solution: Embrace the power of a cohesive colour palette. Use the 60-30-10 rule, where 60% is the dominant colour, 30% is the secondary colour, and 10% is the accent colour. Harmonise these hues throughout your space to create balance and visual appeal.

Furniture Arrangement and Scale

Mistake: Misaligned Furniture

Solution: Arrange your furniture to encourage conversation and flow. Avoid pushing all pieces against the walls. Instead, create intimate seating areas and consider the scale of your furniture in relation to the room's size. Proportion is key!

Lighting and Ambiance

Mistake: Insufficient Lighting

Solution: Illuminate your space effectively with layered lighting. Combine ambient, task, and accent lighting for functionality and ambiance. Experiment with different light sources and intensities to set the mood you desire.

Wall Art and Decor

Mistake: Misplaced and Cluttered Wall Art

Solution: Display your artwork at eye level, ensuring it relates to the furniture and surroundings. Avoid cluttering walls with too many pieces. Opt for larger artwork to make a bold statement or create a gallery wall that tells a cohesive story.

Texture and Layers

Mistake: Lack of Texture

Solution: Add depth and interest to your space by incorporating various textures. Combine smooth, rough, soft, and patterned elements. Mix fabrics, materials, and finishes to create a visually stimulating and cosy atmosphere.

Functional Storage Solutions

Mistake: Disorganized and Overflowing Storage

Solution: Utilise smart storage solutions to keep your space clutter-free. Invest in multifunctional furniture, maximise vertical space with shelves, and utilise stylish storage containers to maintain order while enhancing your decor.

Personal Touch

Mistake: Generic and Impersonal Decor

Solution: Infuse your space with your personality and interests. Display meaningful items, such as travel souvenirs or family heirlooms, to create a sense of authenticity. Mix old and new elements to tell your unique story.
